

Auntie Litter's ABC's for the USA

Apple cores, Banana peels, Cans and candy wrappings; Does
Everybody just Forget our Garbage is How litter happens?
I know if we Just work it out, you Kids will save our Land.
Maybe Not Overnight, but we can make a Plan. You may have
many Questions on how to make things Right. The answer is
quite Simple: it's Time for us to Unite! Value nature that
surrounds you, it's worth fighting for: mountains, trees, beautiful
sky and Water upon the shore. eXtra effort from Auntie Litter
and You will protect our wildlife and the animals in the Zoo.
